Reminders

Face masks are mandatory for all **KIDS** and **ADULTS** entering the building during Kid Zone.

There is no school or Kid Zone on Monday 2/21 in observance of Presidents Day.

We are starting registration for our Kid Zone Spring Break Camp. Please log onto your portals to register.

showcase

We have been so excited to showcase our new special events we added this semester. Your kiddos have been very busy traveling all over the world where we experienced new cultures new creatures and even some pesky pirates. We rang in new year with learning about ourselves and celebrating our friends from different countries. Please stop by our bulletin board to see some hilarious moments from our adventures.

new year new enrichment

We have hit the ground running with our new session of our enrichment classes. This session we are offering seven new enrichment courses. We started Football, Running Club, Everyone Engineers, Sign Language, Crazy Concoctions and Cooking Club. On top of our enrichment we will be offering a new club called Cricuit Club where we will learn how to operate the Cricut machine and create different projects for our program and our school. As always please make sure to check our weekly white board and enrichment fliers for days and times. Each course will be offered twice a week, one for K-2 and one for 3-5. Please see staff for any further questions of to find out more information. We look forward to sharing our new skills with you all.
